

Why NABIP Is the Right Choice for You

The National Association of Benefits and Insurance Professionals (NABIP) is the leading organization for health insurance and employee benefits professionals. NABIP represents more than 100,000 licensed health insurance agents, brokers, general agents, consultants and benefit professionals through more than 200 chapters across America.

Collectively, we work to ensure all Americans have access to high-quality, affordable healthcare and related benefits. To meet that vital mission, NABIP advances the interests of its members and advocates for sound public policy solutions in Washington DC and state capitals throughout the country.

As the health insurance and benefits landscape has evolved, so has the association. Still, we have remained steadfast in our commitment to our members, providing vast professional-development opportunities and resources to promote excellence, including certification programming, conferences and business-development tools.

Under the recently rebranded moniker NABIP, we are better positioned to serve as trusted advocates for our members and their clients for decades to come. As more professionals join the association, NABIP becomes even stronger.
